Give the gift of Joy this Christmas

*This year, help slum children experience the joy of Christmas. For just \$8, Asha will provide one child with an afternoon of joy, complete with food, games, entertainment and a small gift.*

This Christmas, take a moment to remember the children and the elderly of Delhi's slums. They are the weak and vulnerable who suffer most during this harsh winter season. They don't know Christmas Day as a time of peace and fellowship. Many children see no respite from work on December 25th and many neglected elderly people don't feel the warmth of family love. Let the greatest gift you give this Christmas put a smile on someone's face.

*Many elderly people live in the slums without family to care for them. No heating for their homes leaves many ill and weak from cold during Delhi's winters. Just \$11 will buy a blanket to keep someone warm this Christmas.*

If you're able to give any amount to support children or the elderly in Delhi's slum communities this Christmas, please visit our website at **[www.asha-india.org/giving](http://www.asha-india.org/giving)** or fill in the donation form below and send it to us with a cheque made out to 'Asha Society'.

We also encourage you to use either of these options to send a personal Christmas message to a child or elderly person.
